

Yorkshire Street, Lancashire Mill, Castle Blend & Chelsea Gold

Yorkshire Street Flags - Footworn and magnificent; these flagstones add an incomparable charm and maturity to any environment, both indoors and out, with subtle

hues of green and grey. **Lancashire Mill Flags** - Reproduced from hand selected masters from the floors of 19th century textile mills, we believe our Lancashire

Mill flags carry a special integrity; assured to add character and heritage to any project. **Castle Blend Flags** - Using the same character and authentic detailing,

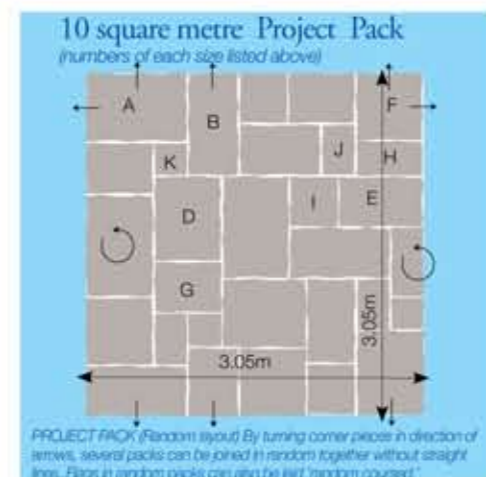

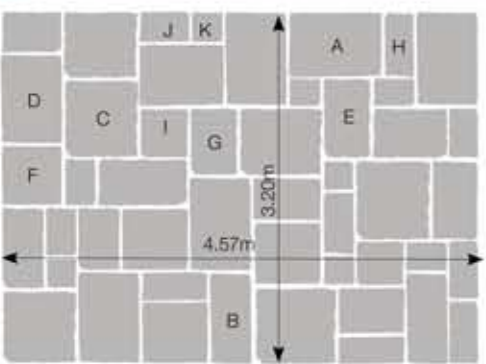

the Castle Blend Flags have a wider variation in colour tones, from the grey/green hues of the Lancashire Mill to the Green Greys of the Yorkshire Street. They look

stunning, and are virtually indistinguishable from the traditional natural stone flags that they emulate. **Chelsea Gold** - Add the warmth of a golden era to your

interior flooring or garden landscape with the gentle glow and ambience of our Chelsea flags.
