Chose from a range of beautiful natural stone products from all corners of the World. These pages show but a few of the many products available in this comprehensive range of natural stone materials. Westminsterstone offers a matching and sourcing service, where we can provide direct alternatives to other leading

natural stone paving brands. Our LivingStone range of hand cut Sandstone in eight stunning colours will suit both traditional and contemporary themes. Complementary Sandstone Setts, or the use of either Circles or Octagons in several colours will add the finishing touch. Antique Sandstone with an Aged effect - our LivingStone

range of hand cut Sandstone in eight stunning colours will suit both traditional and contemporary themes. Complementary Sandstone Setts, or the use of either Circles or Octagons in several colours will add the finishing touch. Antique Sandstone with an Aged effect that makes it virtually indistinguishable from the footworn

flags of yesteryear is available in three attractive colours. Consider LivingStone Limestone in Welsh Midnight Black, Lia Blue, Yendé Green or Abbey Gold. LivingStone Slate is available in both Blue/Black, or exquisite Rustic Gold. LivingStone Travertine with its unique veined markings, is available in three colour finishes: Cream,

Pewter, and Walnut. LivingStone Marble in Glacier White will add the wow factor to any landscape setting, whilst LivingStone Granite in Arctic Silver, or Pular Beige will provide a unique coolness to any design. For ease of laying all Project Packs incorporating three or more sizes, will contain a laying pattern.

All materials in the LivingStone natural stone range are suitable for use indoors or out.
